Hey Nick,

FYI & Pursuant to what Kiernan discussed with you, here is a round-up of incidents for one ai that weren't in my initial IDS/EIIS search. Most of these were updates, which is probably why they weren't found in the original search (which is good, bc we don't want to double count them). The ones highlighted in red are the ones I couldn't figure why they didn't show up in our previous incident search (conducted in December, 2018). For our risk assessment purposes, I don't think
